**ONTARIO  
SUPERIOR COURT OF JUSTICE  
COMMERCIAL LIST**

IN THE MATTER OF THE PROPOSAL OF  
NEWSTART FINANCIAL INC.  
OF THE CITY OF PICKERING, IN THE PROVINCE OF ONTARIO

**NOTICE OF MOTION**

**DODICK LANDAU INC.** (“Dodick” or the “Proposal Trustee”), in its capacity as proposal trustee of Newstart Financial Inc. (“NFI”) and Newstart Acceptance Inc. (“NAI”) (NFI and NAI collectively referred to as “Newstart”) will make a Motion before a Judge sitting on the Commercial List to be heard on **Friday, May 27, 2016** at 10:00 a.m. or as soon after that time as the Motion can be heard at the Court House, 330 University Avenue, Toronto, Ontario, M5G 1E6.

**PROPOSED METHOD OF HEARING:** The motion is to be heard

- in writing under subrule 37.12.1 (1) because it is (insert one of on consent, unopposed or made without notice);
- in writing as an opposed motion under subrule 37.12.1 (4);
- orally.

**THE MOTION IS FOR:**

1. If necessary, abridging the time for service and filing of the Notice of Motion, the Motion Record and the First Report of the Proposal Trustee dated May 19, 2016 (the “First Report”) and dispensing with service on any other person other than those served;

2. Approving and adopting by reference the e-service protocol of the Commercial List (the "Protocol") such that service of court documents by email in accordance with the Protocol shall be deemed valid and effective service in these proceedings;
3. Extending the time for filing a proposal, and extending the stay of proceedings granting upon the filing on May 2, 2016 (the "Filing Date") of a Notice of Intention to Make a Proposal (the "NOI"), for a period of forty-five (45) days, to and including July 16, 2016;
4. Granting the Administration Charge (defined below);
5. Approving a sale and investment solicitation process (the "SISP") to be undertaken by the Proposal Trustee with the assistance of Newstart;
6. Granting the Proposal Trustee expanded powers to implement the SISP and close any transaction under the SISP approved by the Court; and
7. such further and other relief as to the Proposal Trustee may request and this Honourable Court may deem just.

**THE GROUNDS FOR THE MOTION ARE:**

1. NFI and NAI are related companies;
2. NFI provides automobile financing to customers in the subprime market. The vehicles are leased through NFI and NFI manages all aspects of the leasing process;
3. NAI is in the business of collecting distressed receivables. When vehicles subject to lease contracts through NFI are repossessed, the vehicles are sold to independent dealers or other third parties. In most cases, there will be a shortfall on the lease or financing contract and that receivable is sold to NAI on a percentage basis;
4. On May 2, 2016, Newstart filed NOIs. Pursuant to the *Bankruptcy and Insolvency Act*, all proceedings against Newstart were stayed for 30 days commencing May 2, 2016;

**Extension of Time:**

5. Newstart requests an extension of the stay of proceedings until July 16, 2016;
6. An extension of time would provide the Proposal Trustee, with Newstart's assistance, the necessary time to implement the SISP and complete a transaction with a view of Newstart making a successful proposal to its creditors;
7. An extension of the stay will substantially enhance the likelihood of Newstart making a viable Proposal to its creditors and will not cause any undue prejudice to any party;

**SISP and Enhanced Proposal Trustee Powers:**

8. The paramount goal of Newstart is to preserve, maximize and realize value for the benefit of all stakeholders. Newstart is of the view that the restructuring of Newstart to be undertaken under the BIA will likely involve a sale of its business. Newstart will explore all options to maximize value for stakeholders;
9. The purpose of the SISP is to identify one or more financiers, purchasers or investors in Newstart's business with a projected completion date of a transaction or transactions by the end of September 2016;
10. The SISP will include broad marketing to all potential financiers and investors, including those that have already expressed interest in purchasing the business. The SISP will accommodate offers for the purchase of Newstart's assets. It will be a fair and transparent process that will be implemented by the Proposal Trustee;
11. The SISP, implemented and completed by the Proposal Trustee, would formalize this process and ensure that (a) there will be no complications to completing a transaction resulting from the complex structure of Newstart's business, and (b) no issues arise in the event a related company makes an offer or is part of a group that makes an offer for Newstart's assets;
12. The Proposal Trustee is agreeable to implementing and completing the SISP on behalf of Newstart;

13. The Proposal Trustee has approved Newstart obtaining the form of draft Order being requested, approving the SISP and the expanded powers of the Proposal Trustee described in the draft Order;

**Administration Charge:**

14. Newstart is also requesting that the Court grant a charge in favour of Newstart's counsel and in favour of the Proposal Trustee and its counsel (the "Professional Advisors") to secure payment of fees and expenses incurred in connection with this proceeding in the amount of \$150,000.00 (the "Administration Charge");

15. The Professional Advisors have been and will continue to be actively involved in providing Newstart support, advice and assistance through these proceedings and their ongoing support is necessary to maximize value for all stakeholders. The Proposal Trustee will ensure that the business and affairs of Newstart will be properly managed by existing management of Newstart during these proceedings;

16. Sections 50.4(9), 64.2 and 65.13 of the *Bankruptcy and Insolvency Act*;

17. Rules 1.04, 2.03, 3.02, 16.04, and 37 of the *Rules of Civil Procedure*;

18. As contained on the Affidavit of Dave Baker sworn May 19, 2016 and the exhibits annexed thereto; and,

19. Such further and other relief as counsel may advise and this Honourable Court may permit.

**THE FOLLOWING DOCUMENTARY EVIDENCE** will be used at the hearing of the Motion:

1. The First Report of the Proposal Trustee dated May 19, 2016 and appendices annexed thereto.

2. Such further and other material as counsel may produce and this Honorable Court may permit

DATED: May 19, 2016

When vehicles subject to lease contracts through NFI are repossessed, the vehicles are sold to independent dealers or other third parties. In most cases, there will be a shortfall on the lease or financing contract and that receivable is sold to NAI on a percentage basis. NAI had also purchased two small distressed portfolios of consumer receivables.

10. NAI does not have any employees. Prior to the filing of the NOI, it outsourced its collection function to third parties on a commission basis. There are no current engagements to collect NAI's outstanding receivables.

11. Newstart operates out of leased facilities at 963 Brock Road, Units 10-11, Pickering, Ontario, L1W 3A4. As of May 1, 2016, Newstart renewed the lease of Unit 10 and relinquished the lease of Unit 11.

**B. Assets:****NFI:**

("**135**") for NFI and NFI provides all funding for the vehicles. 135 is wholly owned by NFI and holds a vehicle dealer license. A copy of Trust Agreement dated August 2, 2007 is attached hereto as **Exhibit "D"**.

**NAI:**

13. NAI's only assets are the distressed leases and loan receivables it purchased from NFI and two third parties. The amounts owing under those leases and loans aggregate in the range of \$22-million ranging from current to dating back 15 years. According to NAI's balance sheet, the total net book value of these receivables is approximately \$121,000.00 as at July 31, 2015.

### C. Secured Indebtedness:

#### NFI:

14. Attached hereto as **Exhibit "E"** to this my Affidavit is a chart setting out the list of secured creditors of NFI in order of registration under the PPSA.
15. Search results from the Ontario Personal Property Registration System conducted against Newstart as at May 15, 2016 are attached hereto as **Exhibit "F"**.
16. NFI raised funds from a group of approximately 30 sophisticated investors. As security for their investments, the investors received promissory notes as well as security over a specific list of vehicles. Many of the investors have been investing in NFI for 5 to 7 years.
17. Attached hereto as **Exhibit "G"** is a copy of NFI's Creditor List which is attached to the NOI. The total amount owing to all creditors is \$6,693,172.75 as at the Filing Date but the breakdown of secured versus unsecured debt has yet to be finalized.
18. My company, Austin J. Mack (1980) Inc. ("**AJM**"), has loaned \$615,003.75 (the "**AJM Loan**"). As consideration for the for AJM Loan, NFI executed and delivered a Promissory Note in favour of AJM dated September 5, 2007 (the "**AJM Promissory Note**"), a copy of which is attached hereto as **Exhibit "H"**. Furthermore, NFI executed and delivered a General Security Agreement in favour of AJM dated September 5, 2007 (the "**AJM GSA**"), a copy of which is attached hereto as **Exhibit "I"** (the AJM Promissory Note and the AJM GSA shall collectively be referred to as the "**AJM Security**").
19. AJM has never received any payment or dividend from NFI in connection to the AJM Loan.
20. On April 27, 2016, AJM assigned the AJM Security to Newstart Inc. ("**NSI**") pursuant to an Assignment Agreement dated April 27, 2016, a copy of which is attached hereto as **Exhibit "J"**.
21. On April 27, 2016, NSI issued a demand and a Notice of Intention to Enforce Security ("**NITES**") on NFI. On April 27, 2016 NFI executed the waiver pursuant to s. 244(2) of the

*Bankruptcy and Insolvency Act*. Attached hereto and marked as **Exhibit "K"** are copies of the demand and NITES, including the aforementioned waiver.

22. As of the date of this Affidavit, Newstart is current in paying employee source deductions and HST remittances.

**NAI:**

23. NAI has no secured creditors. Attached hereto as **Exhibit "L"** is a search from the Ontario Personal Property Registration System which confirms that there are no registrations against the said company.

**D. Unsecured Creditors:**

**NFI:**

24. As noted above the breakdown of secured versus unsecured indebtedness is in the process of being finalized.

**NAI:**

25. NAI's only unsecured creditor is Phillip Gagnon. A copy of NAI's Creditor List attached to the NOI is attached hereto as **Exhibit "M"**.

**III. Current Status of the Companies**

**A. Factors Leading to Insolvency:**

26. A number of factors have led to Newstart's insolvency including but not limited to the inability of Newstart to attract capital at a lower cost, not having sufficient funding to grow the receivables portfolio to a large enough size to cover the basic operating costs of the business and a number of investors requesting the return of their invested capital.

27. As a result of the above noted issues, Newstart has faced a liquidity crisis which has made it impossible to maintain its obligations to its creditors.

**B. Liquidity Crisis and Filing of NOI:**(a) demand from 1455740 Ontario Ltd.

28. On or about March 11, 2016, NFI received a demand from 1455740 Ontario Ltd. for payment of \$108,333.30, a copy of which is attached hereto as **Exhibit "N"**.

(b) demand from Caroline Taylor

29. On or about March 11, 2016, NFI received a demand from Caroline Taylor for payment of \$97,500.00, a copy of which is attached hereto as **Exhibit "O"**.

(c) claim from the Afonsos

30. On or about April 12, 2016, Newstart was served with a Statement of Claim as Defendant listing Frank Afonso and Ausenda Afonso as Plaintiffs, seeking (among other things) payment by Newstart to the Plaintiff of \$270,000.00. Attached hereto as **Exhibit "P"** is a true copy of the Statement of Claim dated April 12, 2016.

31. In response to the above referenced liquidity crisis, the aforementioned demands, and the issuance of the Statement of Claim by the Afonsos, Newstart determined that it had no other readily available options but to file the NOIs on the Filing Date to prevent irreparable harm to the business of Newstart and the erosion of the capital of its investors.

32. To date, Newstart has not filed a proposal. A copy of the Certificates of Filing of the NOIs are attached hereto as **Exhibits "Q" and "R"** respectively.

33. Newstart filed the NOIs in order to preserve the status quo and to preserve its business operations.

**IV. Overview of Restructing Plan and SISP**

34. The paramount goal of Newstart is to preserve, maximize and realize value for the benefit of all stakeholders. Newstart is of the view that the restructuring of Newstart to be undertaken under the BIA will likely involve a sale of its business. Newstart will explore all options to maximize value for stakeholders.

35. The purpose of the SISP is to identify one or more financiers, purchasers or investors in Newstart's business with a projected completion date of a transaction or transactions by the end of September 2016.

36. The SISP will include broad marketing to all potential financiers and investors, including those that have already expressed interest in purchasing the business. The SISP will accommodate offers for the purchase of Newstart's assets. It will be a fair and transparent process that will be implemented by the Proposal Trustee.

37. The SISP, implemented and completed by the Proposal Trustee, would formalize this process and ensure that there will be no complications to completing a transaction resulting from the complex structure of Newstart's business.

38. A chart summarizing the important dates for the SISP is set out below:

Sale Process Procedures	Date
Court approval of Sale Process by	May 31, 2016
Begin marketing to Interested Parties	June 1, 2016
Begin distributing CIM and access to on-line data room	June 6, 2016
Complete solicitation of potential purchasers/investors by	June 24, 2016
Due diligence completed by	July 22, 2016
Offer deadline	August 2, 2016
Identification of successful offer	August 5, 2016
Hold meeting of creditors to vote on Proposal by	August 31, 2016
Obtain Court approval of Proposal by	September 16, 2016
Closing(s) by	September 30, 2016

39. Newstart approves the SISP being proposed by the Proposal Trustee and I am advised that the Proposal Trustee is agreeable to implementing and completing the SISP on behalf of Newstart.

40. Given the complexity involved in the sale of Newstart's assets and the fact that a related entity may make an offer or be part of a group that makes an offer for Newstart's assets, the Proposal Trustee requires enhanced powers to close the transaction that may arise out of the SISP on behalf of Newstart.

41. The Proposal Trustee has approved Newstart obtaining the form of draft Order being requested, approving the SISP and the expanded powers of the Proposal Trustee described in the draft Order.

**V. Cash Flow Forecast**

42. Newstart has worked with the Proposal Trustee to prepare a Cash Flow Statement and Report on Cash Flow for Newstart which was filed by Newstart in accordance with the BIA (the “**Cash Flow Forecast**”).

43. Newstart has also prepared as Cash Flow Forecast for the extension period request (the “**Second Cash Flow Forecast**”). Attached hereto as **Exhibit “S”** is a copy of the Cash Flow Forecast and the Second Cash Flow Forecast. Based on my knowledge of the financial position of Newstart and the assumptions set out in the Cash Flow Forecast and the Second Cash Flow Forecast, both of these are fair and reasonable.

**VI. Administration Charge**

44. Newstart is also requesting that the Court grant a charge in favour of Newstart’s counsel and in favour of the Proposal Trustee and its counsel (the “**Professional Advisors**”) to secure payment of fees and expenses incurred in connection with this proceeding (the “**Administration Charge**”).

45. Newstart seeks an Administration Charge in the amount of \$150,000.00 to secure payment of the fees and expenses of Newstart’s counsel and the Proposal Trustee and its counsel.

46. The Professional Advisors have been and will continue to be actively involved in providing Newstart support, advice and assistance through these proceedings and their ongoing support is necessary to maximize value for all stakeholders. The Proposal Trustee will ensure that the business and affairs of Newstart will be properly managed by existing management of Newstart during these proceedings.

**VII. Extension of Stay**

47. In order to allow Newstart sufficient time to implement the SISP and to complete its

reorganization successfully, Newstart is seeking an extension of the time for filing of the Proposal to and including July 16, 2016 for a total of 45 days.

48. I verily believe that Newstart has acted in good faith and with diligence and has made best efforts in seeking to restructure the affairs of Newstart after the date of filing the NOI. In order to maximize return for all stakeholders, it would not be possible to complete the restructuring process and prepare a viable Proposal to creditors within the initial stay provided for under the BIA.

49. I verily believe that the requested extension will substantially enhance the likelihood of Newstart making a viable Proposal to its creditors, and will not cause any undue prejudice to any party.

50. An extension of stay proceedings is essential to preserve Newstart's business and to maintain its value. A stay would also provide Newstart with the necessary time to undertake and implement the SISP and complete a transaction with a view to making a successful proposal to creditors.

51. Without the benefit of a stay of proceedings, Newstart would be deemed bankrupt and there would be a fast and significant erosion of value of Newstart's assets.

52. I swear this Affidavit in support of Newstart's motion for the relief requested and for no other or improper purpose.
